

ELEVENTH RUN

Pony trekking was the order of the day. Relaxing before the trek, the group includes Derek Norton (Lucas) Chris Warner, Hugh Palin, Derek, Doug Hele, Norman Aubrey, Brian Jones and Bert Perrigo.

Hugh Palin was more used to tanks, but turns on a smile for the camera. But there was to be no record of the twelfth run held in the autumn.

Eric Brockway (Vespa) gets a push from Norman Aubrey.
