

# JOHN RAYMOND NELSON

President 2000 and 2001

John was born in Lincoln in 1924.

He is married with 2 sons and a daughter.

He spent some time in the Army, in the Royal Engineers, from where he was seconded to the Royal Indian Engineers, he achieved the rank of Captain.

His business career centred around the Motor Cycle Industry, initially Triumph and latterly also Norton.

His qualifications include: M.A. Eng. Cantab.

John is a Chartered Engineer.

John's current home is in Southwell, Nottinghamshire.

## CAREER HIGHLIGHTS

<b>1954</b>	Manager of the Development Department
<b>1959</b>	World Service Manager
<b>1973</b>	Joined Steyr Daimler Puch for a year (was poached while on a Club Run)
<b>1975</b>	Norton
<b>1978</b>	Set up his own Publishing Company, JR Tech. Publications which he ran for some years, whilst writing many Triumph Technical Manuals

John is still recognised as THE expert on all things Triumph and his claim to fame is that he has crossed the Atlantic (presumably by motorcycle) no fewer than 33 times.
