Nick has had a go at motorcycle sport. He competed in a one day trial on a DOT which, he claims, put him off for life. Rode a few long distance trials on anything from Suzuki RV125 via 1927 BSA Sloper to Kawasaki Z1000.

His hobbies include reading, bolting the house back together and riding motorcycles, especially sidecars.

There is also a small collection of older motorcycles B32 Goldie, the odd Brough Superior plus a Harley and Vincent or two awaiting some TLC
