One Point for each correct answer

NOTE! Point Scoring Question 3.

## Club Quiz – Tavistock April 2015

**1;** We saw the Fairey Gannet at the RAF Davidstow Museum. Because of its Airborne Early role, it was a plane the Navy wished they still had flying during the Falklands conflict of 1982. How many Fairey Gannets – of all types and for all markets – were manufactured?

A; 263

B; 348

C; 526

**2;** RAF Davidstow Moor was used in anger from 1942 to 1945 – primarily as home to Coastal Command squadrons involved in Air Sea Rescue [ASR], U-Boat hunting and anti shipping patrols. What was its claim to fame immediately after the Second World War:

A; Motor Racing

B; Drag racing

C; Pigeon Racing

**3;** Our hotel, The Bedford, was named after (*maybe more than one answer; a plus point for each one correct and a minus point for each one wrong*)

A; Earl of Bedford

B; Duke of Bedford

C; Marquess of Tavistock

D; Francis Russell

**4;** All the 4 persons below were born in Devon, which ONE was born in Tavistock

A; Samuel Taylor Coleridge

B; Wayne Sleep

C; Sir Francis Drake

D; Sir Donald Sinden

**5;** The UK over-125cc Motorcycle market is “up” in 2015 relative to 2014 by 16%. What make has the largest increase in sales for this first quarter in 2015 over 2014?

A; Honda

B; Yamaha

C; Suzuki;

D; Kawasaki

**6;** The Honda CB450 (and later CB500T) was unique in using an unusual layout of valve spring arrangement.

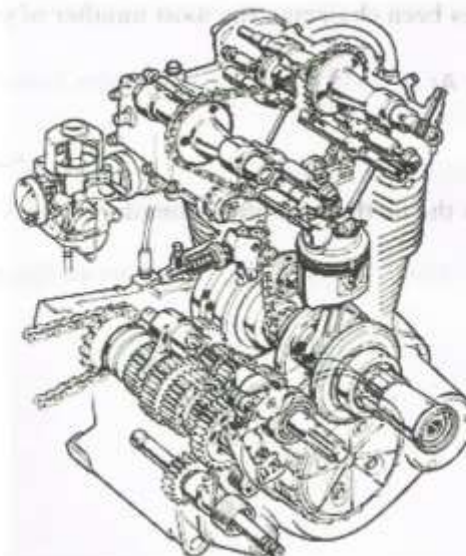

What type of spring did it use?

A: Leaf Spring

B; Belleville Washer

C; Torsion Spring

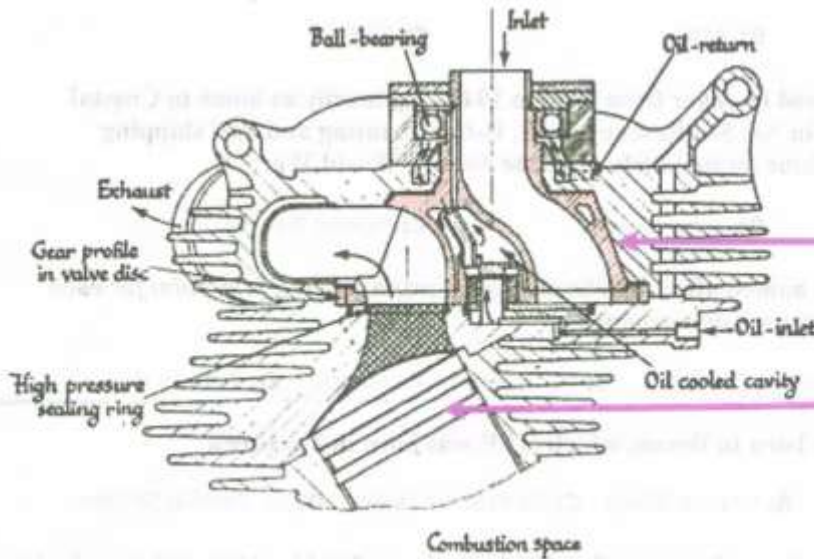

D; Cantilever Spring

7; Bodmin Moor is famous for a large Panther-like cat roaming around and eating livestock. The rumours of this large cat were given credence by the discovery, by a young boy, of a skull of a large cat on Bodmin Moor in 1995. What animal was the skull from?

- A; Panther      B; Tiger      C; Lion      D; Leopard

8; Many manufacturers have tried to find alternatives to the Poppet Valve used in 4-stroke engines. Rotary valves have played a big part – what is the name given to the type of Rotary Valve in this picture.

The Valve rotor here is coloured Pink – and the angled piston is at TDC.

- A; Aspin      B; Cross      C; Froede      D; Coates

9; A question about “The Club”. Three members have been chairman longer than the normal two years, who has been chairman the most number of years?

- A; Norman Hyde      B; Peter Sheen      C; Mike Jackson

10; What was the birth name of the founder of the Velocette motorcycle company?

- A; Christian Schmidt      B; Johannes Gütgemann      C; Georg Wessbinder.
